

Destined for Greatness - Almost!

God created a perfect being. He was Adam - 6000 years ago. He was Jesus Christ - 2000 years ago. He is Ross Harvey in this time.

6000 years ago - Adam fell by way of Eve and the Serpent. 2000 years ago Jesus went to the Cross to pay for the sins of mankind. This time there will be no such fate. This time through Ross God will transform this entire world to Heaven on Earth - for eternity.

Ross' path has not been an easy one - for all his 63 years. God bestowed on him unlimited favour and greatness - in every walk of life. He made him a great athlete - at whatever sport captured his fancy. He made him a great thinker and student. He gave him favour in every business endeavour he entertained. He also gave him favour with women - and bestowed upon him a great many lady friends who he loved.

But that is just half of the story. In as much as God gave him great favour in all areas of life - He removed this favour every time - before Ross was able to really savour the benefits of his labours. In sports, in education, in business and in love - Ross was never able to reach anywhere near the height of his dreams - not because of anything he did - but because God did not allow him to. This was an ongoing test of his heart.

I am writing this message to tell you what God has told me. I have passed every test and every examination God has given me. Soon all of mankind (>110 billion souls) will be glorified and eternal and living in Heaven on Earth (New Jerusalem) forever!

Many years ago now (2005), God made Himself physical and came to be with me in the form of an amazing man named Noel who had cerebral palsy. In the days we spent together he told me much. He called me rJ - ross-Jesus - for I am Ross Harvey in this life - but Jesus Christ in a much greater sense. I can't wait to meet each and every one of you as this earth turns to Heaven on Earth - and you receive all the rewards God and I have planned for you!

Wishing you peace, love and joy always...
