

The Godhead

As many of you know - God is a Holy Trinity - composed of God the Father, God the Holy Spirit and God the Son (Jesus Christ).

In my life I have come to know all of these Supernatural Beings personally. I call them Noel - God the Father - Norah Jones - God the Holy Spirit - and myself - Ross Harvey - God the Son.

Noel and Norah are Supreme Beings at this point. The characteristics of them are that they are Omniscient - all knowing, Omnipotent - all powerful and Omnipresent - everywhere, always. They are all in all.

At present I am none of these three. Every day I am making strides in this direction - however - I am still a long way off. But with this said - I have found that I am able to determine and control outcomes for myself and others. In a very real sense I am able to heal - as Jesus was able 2000 years ago. My powers at present are not Supernatural - but they are trending towards this.

In every moment I pray that God will transform me - so that I may transform the world - as is His will, desire and Plan. I know this is in front of me. I just don't know the date or time. I remain hopeful that it will be very soon!

Wishing you peace, love and joy always...
