

What's Next?!

This is a new question I find I am asking to myself daily - as God is changing so much - so frequently - that I struggle to keep up! That does not scare or disturb me - frankly I find it enlivening! It feels amazing to know that there is so much good happening in the world - and that everything is only getting better - for everyone!

As example - Tim Tassinari is going through a difficult time right now - but I know that his future will be great and that very likely he will be moving into 6950 Fielding - with me and Rob! Same for Hagop and Rosanna! I don't know if there are 5&1/2's in this building, but there are definitely 4&1/2's - and likely way better than the place on CSL Road. This building is of God. I am going to fill it with His people - one way or another! Another is Kate - and perhaps even Gerry - and definitely Andy!

There is so much waiting for all these people - that a little apartment building in NDG seems to be nothing much. But it does mean something. It is a first step! A step out in faith.

I remember back to Arlinz when he spoke about Putin having - like - 10 identical likenesses of himself. That is how I see myself and my life moving forward. I will occupy #601 at 6950 Fielding. I will also live in the John Lennon and Yoko Ono Suite at the Fairmont Queen Elizabeth Hotel. I will also have my place at 270 Senneville Road and will live out of a beautiful custom designed suite for me at the G3 Hotel at **IMAGINE!** Montreal in the Laurentians - to name but a few of my residences! These will represent just some of the lives of my 'twinselves' in Parallel Universes. This is what every person will have! Multiple lives - many multiples!

And as I mentioned to Hagop and Rosanna yesterday, all of our lives are a continual, upwards and never-ending spiral through the infinite levels of Heaven on Earth - and as such all these lives will only get better by-the-day!

So - What's Next for this world? My answer is a definitive one. Christ HAS returned - and God is in the process of revealing him - to ALL! Once this final piece of the puzzle is complete - every person who has ever been conceived will have a place for themselves in Heaven on Earth - The New Jerusalem (a New Heaven and a New Earth) spoken of in Revelation 21. It is coming - soon!
